January 9th General Meeting

The first General Meeting of the new year will be at the usual 7:30 PM time but will be located at a different location. Instead of the Library the meeting will be held at the **Nature Conservancy** offices located at 500 Main Street. They use the same parking lot as Jack's Restaurant. The program looks to be an excellent one with Liam Taylor of Backcountry Concepts Ltd. traveling from New Zealand to give us a presentation on the fly fishing opportunities in his country

December 12th General Meeting

The December General Meeting is our annual club sponsored PIZZA FEED. It will be located at the Round Table Pizza located in the Almond Orchard Shopping Center and begin at 6:00pm. The Club will buy the pizza and drinks and everyone, including family members, is invited to attend. Don't miss this chance to socialize with the other members, swap a few tall tales about your fishing adventures this past year and plan some new trips for next year.

Many thanks to Larry and John from the Chico Fly Shop for their Steelhead presentation at the November meeting.

February 22nd Annual Dinner

Just a reminder that this is the date for our 30th Annual Dinner. Andy Burk is our guest speaker and tickets will be available at the pizza feed. You **MUST** purchase them by the end of this year in order to qualify for the special Early Bird Raffle.

Getting The Word Out

Occasionally we receive information that would be of an interest to club members I would very much like to have an e-mail list so that our membership could be contacted when necessary . Just so you know, I will not give the list to anyone other then a board member of the club. So, if you want to be included, e-mail me at:

Fly Tying with Jay Fair

We are firming a commitment from Jay Fair to conduct a special fly tying session in January. This session will be co-sponsored by John and Larry at the Chico Fly Shop and will only be available to Club members. The time and location will be announced in the next newsletter. Jay is a very talented fly tier with an incredible knowledge of what makes a fly catch fish. He is also one of the nicest guys you'll ever meet.
