GENERAL MEETING

Fishing '97

Wednesday, 7:30 PM
January 14

Again it is time for all of you to bring your fishing slides, pics and of course the authentic STORIES (in most cases, stories must be accompanied by a photo - not touched up by computers Jere).

We will have a slide projector and screen for the slides, special raffle itmes, and of course the fishing lore.

Stop by the Butte County Library for an evening of fun.

Dinner tickets will also be available for the annual dinner

NEW PRESIDENT - THE LINE

Lionel Valley, CAF President

I sincerely hope that all of you have had a great HOLIDAY SEASON for 1997 and are presumably looking forward to a great 1998-fishing and in all other ways.

My apologies for the confusion concerning the election ballots at our election/anchovy dinner meeting. Everything has been corrected and Lenn Goldmann has agreed to serve as our Secretary while Dick Grover will be serving as a Board member as he wished.

As we approach the new year, I'm hoping that we can make some plans to make great things happen in our club. I would really appreciate some specific suggestions from anyone concerning how we can improve various aspects of our club.

In order to make the club as interesting as possible, we are going to need help from each of your - yes you! First of all, Redge is counting on help for producing interesting programs and I have promised him that he will get the help he needs. So . . . please come forward now and contact him to let him know what program you can assist him with for the upcoming year - he and I will be very grateful.

The CLUB also needs assistance for various areas, including the following:

- Fishouts chair
- Annual dinner volunteers
- Raffle chair

FLY TYING

Pat Corbett, Fly Tying Chair

1998 Fly Tying Schedule - Milt Jenson's Top '8'

Our guest tyer for both the January 15th and February 19th sessions is Milt Jenson, our own local accomplished fishing guide and creative fly tyer. He will be tying four of his "simplest most effective" stillwater patterns for each above session.

Then at the years remaining sessions, we will combine one of Milt's eight patterns along with another productive fly to tie. Tyers are provided recipe handouts for the evening plus step-by-step, one-on-one guidance to complete the flies.

The New Line

(Continued)

The CLUB has the following areas covered and confirmed at the present time:

- Youth Activities - Roger Bevers
- Publicity - John Ost
- Annual Dinner Coordinator - Denny Todhunter

As volunteers are confirmed, I will advise.

As the new year begins, it seems that we really need to concentrate on improving our attendance at

the monthly meetings. A lot of time and money is spent in getting programs so we need to get more of our members to take advantage of them.

First of all, **please put the meeting schedule of the second Wednesday of each and every month on your calendar** or schedule now and plan on attending!

I am looking forward to working with your newly elected officers and all of the Board members to make CAF even better.

Fly Tying (Continued)

For the Jan and Feb sessions, we will video tape Milt up close for your viewing on a large screen. You will not need your tying kits for these first two sessions. Don't forget to bring your excess tying materials to our January Tying Materials, Donations and Swap at the Music Express Inn, 1091 El Monte Ave., Chico.
