short casts

Jan 2002

General Meeting
Wednesday Jan. 9 – 7:30 PM
Nature Conservancy
500 Main Street

January 9th General Meeting – New Zealand

The first General Meeting of the new year will be at the usual 7:30 PM time but will be located at a different location. Instead of the Library the meeting will be held at the **Nature Conservancy** offices located at 500 Main Street. They use the same parking lot as Jack's Restaurant. The program looks to be an excellent one with Liam Taylor of Backcountry Concepts Ltd. traveling from New Zealand to give us a presentation on the fly fishing opportunities in his country

February 22nd Annual Dinner

Just a reminder that this is the date for our 30th Annual Dinner. Andy Burk is our guest speaker and tickets will be available at the General Meeting and at local fishing shops.

Getting The Word Out

Occasionally we receive information that would be of an interest to club members. I would very much like to have an e-mail list so that our membership could be contacted when necessary. Just so you know, I will not give the list to anyone other than a board member of the club. So, if you want to be included, e-mail me at: **pmh@stormnet.com**
thanks
Paul Hendricks

Fly Tying with Jay Fair

We are firming a commitment from Jay Fair to conduct a special fly tying session. As of Jan 1 the date has not been set.

Fly Tying - Jan 17th

Join Randy and learn how to tie small nymph patterns for winter steelhead. These nymphs make a great dropper off of a glo-bug.
