CAF Members Rips Lips in Alaska

By Donna Murrill

If you have not already heard, a group from Chico went to Alaska fishing for Silver Salmon in late August.

Jim and Dianne Gaumer and their son Gary, Jeff Brown, Ron Leger, Steve Bohnemeyer, Ray Narbaitz, Dick and Donna Murrill and their grandson Chad Foster all traveled to God's Country for a week of wonderful fishing. The first and last day we had rain, the rest of the time good weather. The fishing was fantastic!

We all caught lots of Silver's fresh from the sea. There were also Dolly Varden and Cutthroat, and some old pinks. This was one of those really super trips that usually only happen to someone else.

(Our grandson, age 14, outfished both of us combined!)

Chico Fly Shop - Tying

Oct 24 - 7:00 pm

This month Joe Slusark, aquatic entomologist and fly tier, will discuss the biology of the ???. He will also demonstrate how to tie and properly fish the different stages of this insect. So remember to bring your vise and tools. If you don't tie flies then bring a notebook, there is still lots of information that will help you catch more fish.

Call Larry at the Chico Fly Shop for more info.
