Thanks Norm and Ann

Thanks to Norm and Ann Nielson for the use of your lake and wonderful park. The New Member Barbecue is always an enjoyable outing and having it at California Park makes it that much better.

Conclave

The NCCFFF Conclave is scheduled for Sept. 18-20 at Alpine Meadows. All members are urged attend this worthwhile outing. The FFF has requested that club members donate at least 6 flies each for the fundraising at the Conclave. Don't be bashful about the quality of your flies (they have to be better than Berts or Rons). Please bring your 6 flies to the next club meeting.

An Evening With William Penn Mott Jr.

The student Parks and Resources Committee (PARC) within the Department of Recreation and Parks Management is pleased to announce they will be hosting an evening with National Park Service Director, William Penn Mott, Jr. on Sunday, October 25, from 6:00pm to 10:00pm at the CARD Center. Mr. Mott's address will focus on the preservation of natural resources for recreation in Northern California. A spaghetti dinner will be served, and attendance will

September Fishout

This Month's fishout is scheduled for the 26th and 27th on the Klamath River. This the club's annual steelhead excursion extraordinaire. Club members will be going to the Klamath on Friday the 25th and Saturday the 26th. Details will be finalized at the Sept. club meeting. If you have any question about what flies to take stop by Powells.

Conservation Donation Update

The club members hard work and dedication means \$\$\$ to the conservation effort in our area. Some of our recent donations include.

\$500 to The Nature Conservancy's
McCloud River Preserve

\$500 to The Northern California
Sport Fishing Protection Alliance

\$300 to The Northern California
Council of FFF

Other needy conservation projects in our area are still under consideration and study, including Indian Creek and Yellow Creek.

September Meeting

"What everyone needs to know about leaders and knots but was afraid to ask."

Tom Peppas has taken a day off from his international fishing expeditions to be this month's speaker. He
