## **AUGUST NEWSLETTER**

**If you did not receive an August newsletter it was not a mistake. Due to an error with the printer it was not sent out. Wasn't a lot of news anyway, so you missed very little.**

## **August Fish-out Report**

**Paul Hendricks**

Well, let's see... that's the fish-out that never occurred because no one knew about it. Mark Adams and myself were going to have a clinic on steelhead fishing in the Feather River. It was going to occur in the area where those pesky salmon keep getting on you line and putting up a heavy fight before they either break off or you land and release them.

## **Yuba River Clean-up**

South Yuba River Citizens League is organizing it's annual clean-up day for many popular spots on the Yuba River

Meet at Parks Bar Bridge about 9.15 (we'll work both banks, don't know yet which side will be 'home base').

Gloves and bags will be provided, but you might want to bring your own favorite work gloves. You all know the Parks Bar area pretty well, so dress appropriately for scrambling around the rocks and banks. Bring lots of water – you know how hot it's been lately.

We'll work until noon, picking up trash and generally cleaning things up.

There'll be some free t-shirts, and there's a party afterwards at Memorial Park in Grass Valley with free beer (yee ha!) and some good music. All the crews from all the many sites will be there – maybe a couple hundred good people.

Let's show everyone else just how cool the fly-fishing community is, and how we're first on the line when it comes to taking care of our rivers, especially Parks Bar where so many of us spend so much time. Donate a day, do some good, and have a good time while you're at it.

## **Sacramento River Clean-up**

September 16th is the day. Meet at the River Exchange in Dunsmire around 2:00, get bags and get assigned to a section of the river. Bring back the garbage and get a free dinner in the City Park.

There are prizes, including big ones if you find some rocks painted gold and put into the river. It is a great, fun event, and you can fish the evening rise after dinner.

This is the River Exchange's big fund raiser of the year. The goal is \$20,000, mostly from sponsors. Come on up, have some fun, and help the R.X.

## **WHERE YOUR CAF DOLLAR GO**

<b>Hooked on Fishing</b>	<b>\$1000</b>
<b>McCloud Preserve</b>	<b>\$1000</b>
<b>Cal Trout</b>	<b>\$1000</b>
<b>CSPA</b>	<b>\$500</b>
